

Bradley Caffee

Associate Pastor
of Adult Ministries

What do you do at Spring Lake? I oversee several adult ministries in the church (young adults, character groups, communications, 1st Touch Team, etc.) and participate in various forms of adult education and teaching.

Education: B.A. in Youth Ministry from Moody Bible Institute, M.A. in Christian Education from Dallas Theological Seminary

How long have you been on staff here? Since May of 2003

Place of birth: Richmond, VA

Books I love: Aside from God's Word, there are too many to list here. A couple I've been in recently are *Respectable Sins* by Jerry Bridges and *The Prodigal God* by Tim Keller. Both have been a blessing to read. Looking forward to diving into *Crazy Love* by Francis Chan.

In my CD player: Third Day's *Wherever You Are* album has recently been blasting in my iPod while I run. Caedmon's Call, Skillet, and Dutton are some other favorites. Anything with a beat I can run to is usually a winner.

Favorite Movie: As a former youth pastor, I've got to go with *Star Wars* (original trilogy, of course)!

Family information: I've been married since June 2000 and have 2 children.

On living in Green Bay: I love the summertime here...both days of it are wonderful! Kidding aside, I love this town. After living in Chicago and Dallas for years, I have come to enjoy the slower pace and love the down-to-earth people here.

What do you enjoy most to recharge? Quiet. I need time alone in quiet. I have been known to take off for a half-day to spend a few hours with God's Word while hiking in the woods. Refreshes me everytime.

Life Verse: Galatians 6:14 - May I never boast except in the cross of our Lord Jesus Christ, through which the world has been crucified to me, and I to the world.
